To: Our Shareholders

Dear Sir/Madam,

PROPOSED ESGP

1. INTRODUCTION

On 3 March 2023, Maybank IB had, on behalf of our Board, announced that our Company is proposing to establish and implement an employees' share grant plan of up to three point five percent (3.5%) of the issued Shares (excluding treasury shares) at any point in time during the duration of the Proposed ESGP for the award of ESGP Shares to the Eligible Employees and subject to such Proposed ESGP not contravening any applicable laws, regulatory requirements and/or administrative constraints in the respective countries of the Participating Maybank Group.

The NRC may from time to time, within the period of the Proposed ESGP, have full discretion to determine the composition of the corporations within the Participating Maybank Group to be eligible to participate in the Proposed ESGP.

In the event that any applicable laws, regulatory requirements and/or administrative constraints prevent or restrict the ability of our Company to allow the Eligible Employees of overseas branches and subsidiaries within the Participating Maybank Group to participate in the Proposed ESGP, an alternative cash-settled performance-based scheme may be made available to them.

On 24 March 2023, Maybank IB had, on behalf of our Board, announced that Bursa Securities had, vide its letter dated 23 March 2023, approved the listing and quotation of new Maybank Shares, representing up to three point five percent (3.5%) of the issued Shares (excluding treasury shares) at any point in time to be issued under the Proposed ESGP on the Main Market of Bursa Securities, subject to the conditions as set out in Section 5 of this Circular.

On 12 April 2023, Maybank IB had, on behalf of our Board, announced that BNM had, vide its letter dated 12 April 2023, approved the increase in the total number of issued Shares pursuant to the Proposed ESGP of up to three point five percent (3.5%) of the issued Shares (excluding treasury shares) at any point in time.

The purpose of this Circular is to provide you with the details of the Proposed ESGP and to seek your approval for the resolutions pertaining to the Proposed ESGP to be tabled at our forthcoming EGM. The Notice of EGM together with the Form of Proxy are enclosed in this Circular.

You are advised to read and consider the contents of this Circular carefully before voting on the resolutions pertaining to the Proposed ESGP to be tabled at our forthcoming EGM.

2. INFORMATION ON THE PROPOSED ESGP

2.1 Rationale and justification for the Proposed ESGP

The Proposed ESGP serves as a long-term incentive plan which would align the interests of the Eligible Employees with the long-term objectives of the Maybank Group that can create sustainable business performance and value enhancement for our shareholders through a high performance culture.

In addition, the Proposed ESGP is intended to:

- (i) continue to retain and motivate key talents as well as attract prospective skilled and experienced employees to the Participating Maybank Group by making the total compensation package more competitive;
- (ii) drive individual key performance indicators and at the same time motivate and bring the employees together to collaborate and achieve the Maybank Group's common goal and aspiration;
- (iii) reward and retain the Eligible Employees by giving recognition to their contributions to the smooth operation and continued growth of the Maybank Group and to deliver on pay for performance to achieve a balance between retention and value creation as well as to ensure that the loss of key personnel is kept to a minimum level; and
- (iv) reward the Eligible Employees by allowing them to participate in the Maybank Group's profitability and eventually realise capital gains arising from any appreciation in the value of Maybank Shares.

Our Company strives to align the total rewards strategy with that of our long term objectives of creating sustainable value enhancement for our shareholders, and believes that this is key in nurturing a high performance culture. Our Company constantly reviews our employees' total remuneration structure as part of the total reward strategy in providing the right remuneration, benefits and career development or progression opportunities. The remuneration structure includes, among others, a basic salary and a variable cash bonus payout to reward our employees based on his/her individual performance achievement at the end of each financial year. The use of variable cash bonus is seen as a short-term incentive mechanism that rewards an employee for his/her annual contributions and achievements.

2.2 Details of the Proposed ESGP

The Proposed ESGP will be valid for a period of ten (10) years and will be administered by the NRC.

At the discretion of the NRC, our Company may from time to time, within the period of the Proposed ESGP, invite the Eligible Employees to enter into an agreement with our Company pursuant to the By-Laws ("**ESGP Agreement**") whereupon our Company shall make ESGP Grants at the respective ESGP Grant Dates, subject to the Eligible Employees fulfilling the relevant service objectives and performance targets that have been set by the NRC which shall be included in such ESGP Grant. The NRC may, at its sole and absolute discretion, determine whether the ESGP Grant will be in a single grant or staggered over the duration of the Proposed ESGP. The maximum number of ESGP Grant to be allocated for each financial year has not been determined at this juncture.

Subject to acceptance of the ESGP Grant, the ESGP Shares will be vested to the Eligible Employees at future date(s) as determined by the NRC ("**ESGP Vesting Date(s)**") provided that the conditions as determined by the NRC ("**ESGP Vesting Conditions**") are met. The number of ESGP Shares to be vested to the ESGP Participants will depend on the achievement of individual key performance indicators by the ESGP Participants, meeting the overall performance targets of the Maybank Group and/or such other target that aligns the interests of the ESGP Participants with those of our shareholders, over the vesting schedule as recommended by the NRC and approved by our Board.

In the event that the ESGP Participants do not meet the above targets over the said period set by the NRC, the ESGP Shares shall not be vested to him/her at the end of the vesting schedule.

The ESGP Shares on the ESGP Vesting Dates shall be settled by way of allotment and issuance of new Maybank Shares or by way of cash settlement as determined by the NRC. For avoidance of doubt, the new Maybank Shares to be issued and allotted to the ESGP Participants would not require any payment by the ESGP Participants to our Company.

In the case of settlement by way of cash, the reference price used to determine the amount to be paid to the ESGP Participants will be based on the market value of the ESGP Shares after taking into account, among others, the VWAMP of Maybank Shares for the five (5) market days immediately preceding the ESGP Vesting Date.

The method of settlement to be made by our Company to the ESGP Participants shall be at the discretion of the NRC.

The Proposed ESGP is intended to be a continuation of the Existing ESGP. For information purposes, the Existing ESGP is a seven (7)-year plan. However, the Existing ESGP Shares will be granted over a five (5)-year period i.e. from 14 December 2018 (being the effective date of the Existing ESGP) until 14 December 2023 as the grants under the Existing ESGP are vested based on a three (3)-year cliff vesting schedule or in the case of a supplemental award ("**Supplemental Award**"), a two (2)-year cliff vesting schedule, provided that all the Existing ESGP's vesting conditions are fulfilled. In view that the Existing ESGP has a remaining period of less than three (3) years up to its expiry on 14 December 2025, the last grant of the Existing ESGP Shares with a three (3)-year cliff vesting schedule was made on 30 September 2022 and will be vested to the ESGP Participants by 30 September 2025 subject to the Existing ESGP vesting conditions being met.

The Proposed ESGP will allow our Company to continue and make the ESGP Grants with three (3)-year cliff vesting schedule to the Eligible Employees upon the effective date of the Proposed ESGP which is expected to be by the third quarter of 2023, subject to the approvals as set out in Section 5 of this Circular. Supplemental Awards may continue to be awarded under the Existing ESGP up to 14 December 2023 or the market day prior to the effective date of the Proposed ESGP, whichever is earlier.

As at the LPD, our Company has a total of 40,484,000 outstanding Existing ESGP Shares granted.

The aggregate number of Maybank Shares which may be awarded under the Proposed ESGP and any other schemes involving the issuance of new Maybank Shares to employees of the Maybank Group which are still subsisting (including the Existing ESGP) (“**Subsisting Schemes**”) shall not exceed three point five percent (3.5%) of the issued Shares (excluding treasury shares) at any point in time during the duration of the Proposed ESGP and the Subsisting Schemes.

For the avoidance of doubt, the abovementioned shall not be construed as limiting the aggregate number of Maybank Shares which may be awarded under the Existing ESGP which shall remain as three point five percent (3.5%) of the issued Shares (excluding treasury shares) at any point in time⁽¹⁾. As an illustration, if at any point our Company has outstanding Existing ESGP Shares granted, which in aggregate amounts to three point five percent (3.5%) or more of the issued Shares (excluding treasury shares), no award under the Proposed ESGP shall be made.

Please refer to **Appendix I** of this Circular for a summary information on the Existing ESGP and **Appendix II** of this Circular for the draft By-Laws.

Note:

- (1) *For information purposes, at the EGM of our Company held on 6 April 2017, we had sought and obtained our Shareholders’ approval for the establishment of the Existing ESGP for up to seven point five percent (7.5%) of the issued Shares (excluding treasury shares). However, vide its letter dated 2 November 2018, BNM had approved the increase in the total number of issued Shares pursuant to the Existing ESGP by up to three point five percent (3.5%) only.*

In the event the aggregate number of Maybank Shares which may be awarded under the Proposed ESGP and the Subsisting Schemes exceeds the Maximum ESGP Shares at any point in time during the duration of the Proposed ESGP and the Subsisting Schemes as a result of our Company purchasing or cancelling Maybank Shares in accordance with the provisions of the Act and/or undertaking any corporate proposal resulting in the reduction of the issued Shares, no further ESGP Grants shall be awarded by the NRC until such aggregate number of Maybank Shares awarded falls below the Maximum ESGP Shares.

2.3.3 Maximum allowable allocation and basis of allocation

The aggregate maximum number of ESGP Shares that may be allocated to any one (1) category/designation of Eligible Employees shall be determined by the NRC provided that the allocation to any individual Eligible Employees who, either singly or collectively through persons connected with the Eligible Employees (as defined in the Listing Requirements), holds twenty percent (20%) or more of the issued Shares (excluding treasury shares), shall not exceed ten percent (10%) of the Maximum ESGP Shares.

The actual number of ESGP Shares to be allocated to the Eligible Employees shall be determined by the NRC after taking into consideration factors which may include the Eligible Employees' position, ranking, performance, contribution and potential contribution to the continued success of the Maybank Group.

For clarity purposes, up to 100% of the Maximum ESGP Shares may be allocated to the Executive Directors and senior management of the Participating Maybank Group. The "book closure date" means the date as at the close of business on which shareholders of our Company must be registered as a member and whose names appear in the record of depositors maintained at Bursa Depository in order to be entitled to the Distributions.

2.4 Listing and quotation of the ESGP Shares

Bursa Securities had, vide its letter dated 23 March 2023, approved the listing and quotation of new Maybank Shares representing up to three point five percent (3.5%) of the issued Shares (excluding treasury shares) to be issued under the Proposed ESGP on the Main Market of Bursa Securities.

2.5 Pre-emptive rights pursuant to Section 85(1) of the Act

Pursuant to Section 85(1) of the Act read together with Article 50 of our Constitution, our shareholders have a statutory pre-emptive right to be offered new Maybank Shares which rank equally to the existing issued Maybank Shares (“**Section 85 Pre-Emptive Right**”) arising from any issuance of new Maybank Shares to the ESGP Participant.

Section 85(1) of the Act states:

“85. Pre-emptive rights to new shares

- (1) *Subject to the constitution, where a company issues shares which rank equally to existing shares as to voting or distribution rights, those shares shall first be offered to the holders of existing shares in a manner which would, if the offer were accepted, maintain the relative voting and distribution rights of those shareholders.”*

Article 50 of our Constitution states:

“50 (1) *The Company in General Meeting may, before the issue of:-*

- (a) *any original shares or convertible Securities for the time being unissued and not allotted and which rank equally in all respects; or*
- (b) *any new shares or other convertible Securities from time to time created;*

- (2) *Such offer shall be made by notice specifying the number of shares or Securities offered, and limiting a time within which the offer, if not accepted, will be deemed to be declined, and after the expiration of such time, or on the receipt of an intimation from the Member to whom such notice is given that he declines to accept the shares or Securities offered, the Directors may dispose of the same in such manner as they think most beneficial to the Company.*
- (3) *Further, if owing to the proportion which the number of the new shares or Securities bears to the number of shares or the Securities held by the Members entitled to such offer as aforesaid, or by reason of any other difficulty in apportioning the same, the Directors may in like manner dispose of the shares or Securities in respect of which such difficulty arises.”*

We are seeking your approval or the waiver of the Section 85 Pre-Emptive Right via the resolutions pertaining to the Proposed ESGP to be tabled at our forthcoming EGM. The resolutions pertaining to the Proposed ESGP, if passed, will constitute a waiver of your pre-emptive right to any new Maybank Shares to be issued by our Company pursuant to the Proposed ESGP. Please refer to the Notice of EGM for the resolutions pertaining to the Proposed ESGP which are enclosed in this Circular.

Notes:

- (1) *Computed based on 12,094,611,092 Maybank Shares after the issuance of new Maybank Shares assuming the vesting of all outstanding Existing ESGP Shares granted and after deducting a total of 52,062,000 new Maybank Shares, consisting of 11,578,000 Maybank Shares that have been vested and 40,484,000 Maybank Shares that will be issued pursuant to the vesting of the Existing ESGP Shares, such that the total Maybank Shares that have been/will be issued pursuant to the Existing ESGP and the Proposed ESGP is 3.5% of the issued Shares (excluding treasury shares) at any point in time.*
- (2) *Computed based on 12,094,611,092 Maybank Shares after the issuance of new Maybank Shares assuming the vesting of all outstanding Existing ESGP Shares granted and the expiry of the Existing ESGP, such that the total Maybank Shares that will be issued pursuant to the Proposed ESGP is 3.5% of the issued Shares (excluding treasury shares) at any point in time.*
- (3) *Excluding treasury shares.*
- (4) *Computed based on the vesting of all outstanding Existing ESGP Shares granted at a price equivalent to the 5-day VWAMP of Maybank Shares up to and including the LPD of RM8.4406.*

- (5) *Computed based on a grant price equivalent to the 5-day VWAMP of Maybank Shares up to and including the LPD of RM8.4406.*

It should be noted that even if the Maximum ESGP Shares illustrated above are allocated to the ESGP Participants, the actual number of Maybank Shares to be issued may be less in view of the following:

- (i) only ESGP Participants who meet the ESGP Vesting Conditions would be entitled to the full vesting of the ESGP Shares allocated under their ESGP Grant; and/or
- (ii) our Company may pay the equivalent cash value of the ESGP Grant in full or partial satisfaction of the vesting of the ESGP Shares.

The actual number of Maybank Shares to be issued pursuant to the Proposed ESGP, as illustrated in the table above, may be higher in the event the number of Maybank Shares in issue increases due to, among others, the new Maybank Shares to be issued pursuant to the Proposed ESGP over the ESGP Period.

4.2 NA per Maybank Share and gearing

In the case of issuance of new Maybank Shares, the Proposed ESGP will not have any immediate effect on the consolidated NA, NA per Maybank Share and gearing of the Maybank Group until such time as new Maybank Shares are issued in connection with the vesting of the ESGP Shares. Any potential effect on the consolidated NA per Maybank Share will depend on the number of ESGP Shares vested which will only be determined at the point of vesting.

In the case of settlement by cash, the Proposed ESGP will reduce the consolidated NA, NA per Maybank Share and increase the gearing of the Maybank Group accordingly.

4.3 Earnings and EPS

The extent of the effect of the Proposed ESGP on the Maybank Group's earnings and EPS cannot be determined at this juncture as it would depend on the fair value of the new Maybank Shares to be issued as at the respective ESGP Grant Dates. In accordance with the Malaysian Financial Reporting Standard No. 2 – Share Based Payments (“**MFRS 2**”), the cost arising from the awarding of the ESGP Grants is required to be measured at the ESGP Grant Date and recognised as an expense over the vesting period of the ESGP Shares comprised in such ESGP Grants, which may have an effect on the future earnings of the Maybank Group.

The potential effects of the Proposed ESGP on the earnings of the Maybank Group and EPS in the future due to the recognition of the abovementioned expense cannot be determined at this juncture as they will depend on the number of ESGP Shares comprised in the ESGP Grants and other various factors which affect the fair value of the ESGP Grants such as the price of the ESGP Shares, the volatility of the Maybank Shares, the vesting period of the ESGP Shares and the dividend yield of the Maybank Shares. However, such expense recognised does not represent a cash outflow as it is only an accounting treatment. For the avoidance of doubt, there will be cash outflow if the vesting of ESGP Shares comprised in the ESGP Grants is fully or partly satisfied via cash.

Our Board has taken note of the potential impact of MFRS 2 on the earnings of the Maybank Group and will take proactive measures to manage the earnings impact in the awarding of the ESGP Grants and/or the vesting of the ESGP Shares pursuant to the Proposed ESGP.

4.4 Substantial shareholders' shareholding

The Proposed ESGP is not expected to have any immediate effect on the shareholding of our substantial shareholders. The dilution to our substantial shareholders' shareholding in our Company will depend on the number of new Maybank Shares issued and allotted to the ESGP Participants at the relevant point in time pursuant to the Proposed ESGP.

For illustrative purposes only, the proforma effect of the Proposed ESGP on our substantial shareholders' shareholding in our Company are as follows:
