

Indonesia's First and Only Elite Label Road Race, Maybank Marathon To Return to Bali

Maybank Indonesia has officially announced that the Maybank Marathon will be held again on 28 August 2022, with the starting line at the Bali Safari & Marine Park, Gianyar, Bali. The 11th Maybank Marathon continues to carry the spirit of its one-decade anniversary celebration and will feature the original and sought after racecourse in Gianyar Regency, which offers the beauty of natural landscapes and warm hospitality and culture.

Race Pack Collection Day, a separate event catered to runners, will take place on 26-27 August at Taman Bhagawan, Benoa, Bali.

Since it was introduced in 2012, Maybank Marathon has been Indonesia's only road race certified by World Athletics, formerly known as the International Association of Athletics Federations ("IAAF"). In 2020, Maybank Marathon became Indonesia's first and only 'Elite Label' marathon event, acknowledged by the World Athletics. The acknowledgement has made Maybank Marathon as one of World Athletics' events^[1]. In addition, the Maybank Marathon is also certified as a major 'road running' event by the Association of International Marathons and Distance Races ("AIMS").

The official announcement of Maybank Marathon 2022 was made by President Director of Maybank Indonesia, Taswin Zakaria, at Maybank Indonesia Head Office in Senayan, Jakarta, together with the race's principal partner, Indonesian Athletics Association ("PB PASI"), represented by its Secretary-General, Tigor Tanjung. The event was also attended by representatives of running communities.
